YOUR INVOLVEMENT

> **What is Reach Out & Read?**

Reach Out & Read helps integrate reading into pediatric practices throughout Georgia and helps children ages 0-5 obtain a literacy rich childhood.

> **How Can You Help?**

Georgia DECA has set up a three tier donation structure that allows chapters to achieve different donation levels. The levels are Reader Level at \$100, Bookmark Level at \$250, and Novelist Level at \$500.

> **Why Reach Out & Read?**

As we continue to Maximize Our Momentum, we have to keep in mind our next generation of leaders. By providing the necessary resources for children to have a healthy education, we can Maximize Their Momentum for our future.

> **What's New For This Year?**

At State CDC in January, Georgia DECA asks each chapter to bring ONE (1) inclusive/diverse children's book to help EVERY child feel seen as they grow their education. More info will be released as we near closer to SCDC.
