Professional Selling & Consulting Events

Competition Levels: State, International

Online Testing: Yes (state)

Category- State CDC Afternoon Event

Professional Selling and Consulting Events consist of two major parts: the cluster exam and the oral presentation. Professional Selling Events are for individual participants only. The participant will be given a 100-question, multiple-choice cluster exam.

Financial Consulting- For 2023-2024 you will assume the role of a financial consultant. A small-business client has scheduled a meeting with you because they would like to add a peer-to-peer payment platform option for their customers. The client would like for you to share and explain different peer-to-peer platforms and make a recommendation that will have a positive financial impact.

Hospitality & Tourism Professional Selling- For 2023-2024 you will assume the role of a sales manager for a company that promotes outdoor activities and close-to-nature experiences. The company has noticed an increase in guest requests for a glamping experience while participating in the other activities you offer. Your company is interested in adding glamping sites to its offerings and would like you to develop a proposal. You have a meeting scheduled with the director of sales and marketing to present your plan on how to incorporate glamping into your company's current offering.

Professional Selling- For 2023-2024 you will assume the role of sales representative for a company that specializes in assisting clients with social media selling strategies. Social selling is a sales method that practices incorporating social networks into every stage of the sales process. A large part of the customer experience now takes place on social media and in more casual communication channels. You have a meeting scheduled with the Chief Marketing Officer to present the services your company can provide for expanding their company's social media selling strategies.
